Are you looking for a fitness center that caters to all abilities? Look no further than **Functional Fitness** in Orillia, Ontario. This facility has been designed with inclusivity in mind, ensuring that everyone, from beginners to seniors, can achieve their fitness goals comfortably.

Accessibility for All

One of the standout features of Functional Fitness is its **accessibility**. The gym boasts a wheelchair-accessible car park and entrance, making it easy for

individuals with mobility challenges to access the facility. This commitment to accessibility allows all members to feel welcome and valued as part of the fitness community.

A Comfortable Environment for Everyone

Many members have expressed their satisfaction with the welcoming atmosphere at Functional Fitness. One member mentioned, "I am a newbie at FF and I thoroughly enjoy the facility." This sense of comfort extends to individuals with specific needs; another member noted, "I am able to use my injured arm with much less pain," highlighting how the supportive environment contributes to a positive experience.

Encouraging Fitness for Seniors

Functional Fitness is especially praised for being a great place for older adults. With facilities and resources available to assist seniors in getting help with exercise, many have found joy in their fitness journeys. As one visitor stated, "This place is very comfortable to have fitness for older people; we're free to use any machine that you enjoy." The friendly staff is always on hand to offer guidance and support.

Commitment to Customer Service

While most experiences at Functional Fitness are positive, some feedback indicates room for improvement, particularly regarding communication. One potential client commented, "Called a week ago about the Bonenefit program. No one called me back so I took my business elsewhere." It's clear that enhancing customer service could further elevate the center's reputation.
